

Applicants have amended Claims 26 to reflect appropriate dependency. Applicants respectfully submit that this rejection has been overcome in view of the above amendment and remarks.

II. Informal Matters: Drawings

The Examiner has indicated that each Figure of the drawings must be individually numbered. Applicants have renumbered the Figures accordingly and have amended the specification to reflect the new numbering of the Figures. Applicants submit herewith and request entry of the newly renumbered drawings (Figures 2A, 2B and 2C).

Applicants note that the drawings themselves have not been amended in any way, rather Applicants have merely renumbered the drawings as suggested by the Examiner. No new matter is believed to have been introduced and Applicants respectfully submit that the drawings are now appropriately numbered.
